Memphis, to recover and bring the "sacred fund" back to Nashville. The THE candidate for School Superin-Committee, December 15, 1866, reparted that they land presented the parted that they land presented the Treasurer's drafts on the Tennessee National Bank for the ground deposited, and were met by the President of the Dank in a spirit of manly deat of the Dank in a spirit of manly candor, exhibiting an earnestness to fix and altogether neglects the duties of the office be now holds. He is paid.

338 MAIN STREET,

It is a subject of congratulation, and fully warrants continuance of the great respect hitherto entertained for the Judiciary of the country, to see the Judiciary of the country, to see the decisions of the country to see the Judiciary of the country to see the Committee, December 15, 1866, re-tendent of Mississippi, on the ALCORN dition of the bank and the evidence education of freedmen.

of its ability and purpose to meet at once the demands of the Committee," They reported, also, that they had There are now enrolled somewhere decision of the Supreme Court, affirm-"scrutinized the condition of the in the neighborhood of one hundred ing the right to the habeas corpus in bank, and were impressed with its and fifty thousand members of the the Yerger case, is again followed by solvency," and that "the fluid arrange- Grand Army of the Republic, an or- a similar decision by the Supreme ment between the Committee and the gantization known by the Democratic Court of Mississippi. We copy the WADDY THOMPSON, PROPRIETOR bank resulted in the prompt payment party, and admitted by the wisest following statement of the case: by the bank of the sum of \$116,002.00, fladical leaders to be of a decidedly anischievous and unwarrantable character, and satisfactory arrangements. It is not imprudent for men McPike had brought an action against

fince." At this very time the bank vigilantly "on guard." was in last repute in Memphis, and the skill if not the integrity of its management despised. The explanamanagement despised. The explanation of this wiftewashing report is fally given in Rutten's letter of September 6, 1850, from New York, purporting to be in self-defense, in which he says of the transfer of the fund to his leak:

"The appointment of this institution to the singuracy was a political office for the express purpose of adding and contributing to the Radical party of Tennessee.

So well was this committee pleased with the authement I made with the authement I made with the authement I made with the settlement is persectly and the defendants dem So well was this committee pleased with the settlement I made with the made with them, that they published a card in the Memphis papers, stating that I had not hear demands, that I had not hear demands hear deman noted in persect good faith, and spoke of me in the highest and most respectful terms."

and nobody's business, and do nothing: Is there no combination possible, and nobody to take hold of it: The public will remember the publication of that "card," After pronothing is done. The value of Mem.
